

## GL8835 Modern workwear best winter jacket for men with Stretchy Fabric

### Short Description:

This is a modern workwear for men, with mechanical stretched fabric, popular color, attractive reflex printing and decoration sewing.

### Product Introduction:

It's a modern workwear. The outlook is very attractive.

The fabric is mechanical stretchy fabric, double grid/TPU. And the fabric is much soft than classic workwear. It makes you feel perfect and also could match the demand of working situation. There are contrast fabric in the shoulder, sleeve, bottom. It looks more colorful.

And the inner cuffs keeps warm and comfort. There are total 7 pockets which could match your different demands to hold different belongings.

The Reflective tape is not the normal one, it's segmented with special shape. It's a good decoration and could keep you safe in the night. The Contrast bartacks make it strong and it's also attractive decoration.
